Marlin

6/1/2021

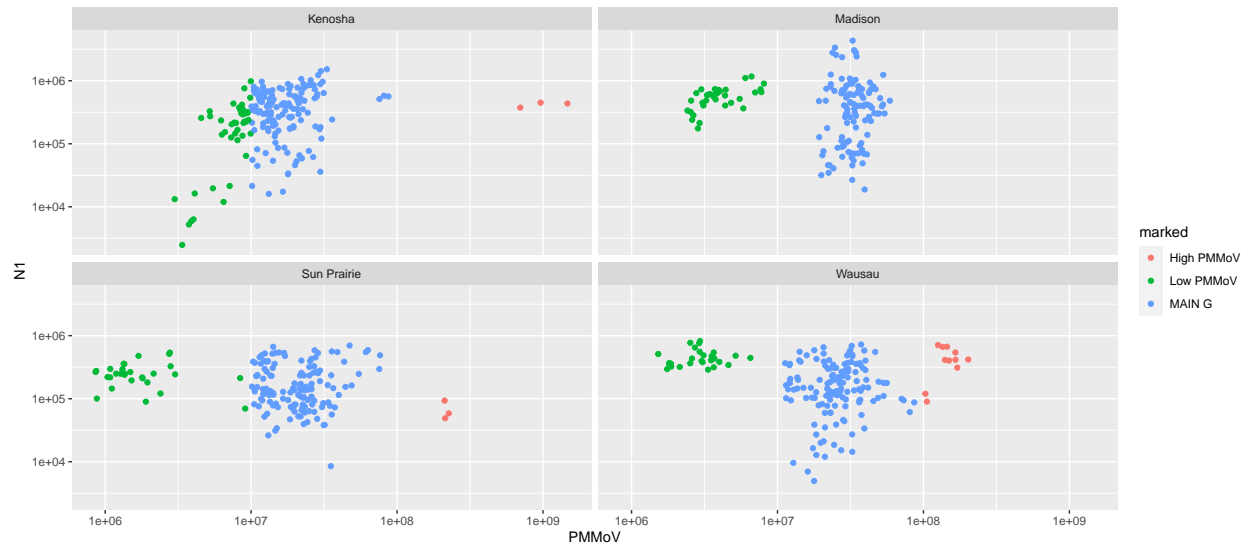

```
## # A tibble: 5 x 3
##   Site      'N1 testing Range' NDays
##   <chr>      <drtn>          <int>
## 1 Kenosha    23 days           21
## 2 Madison    20 days           17
## 3 Oshkosh     11 days           11
## 4 Sun Prairie 23 days           21
## 5 Wausau     23 days           21
```

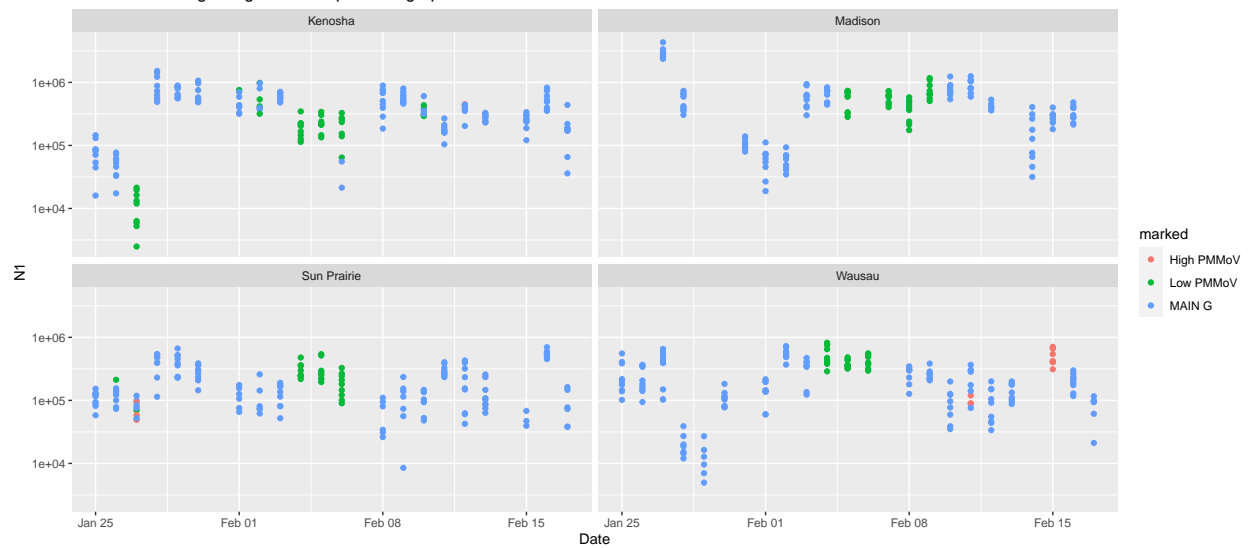

No clear pattern partially due to short time frame

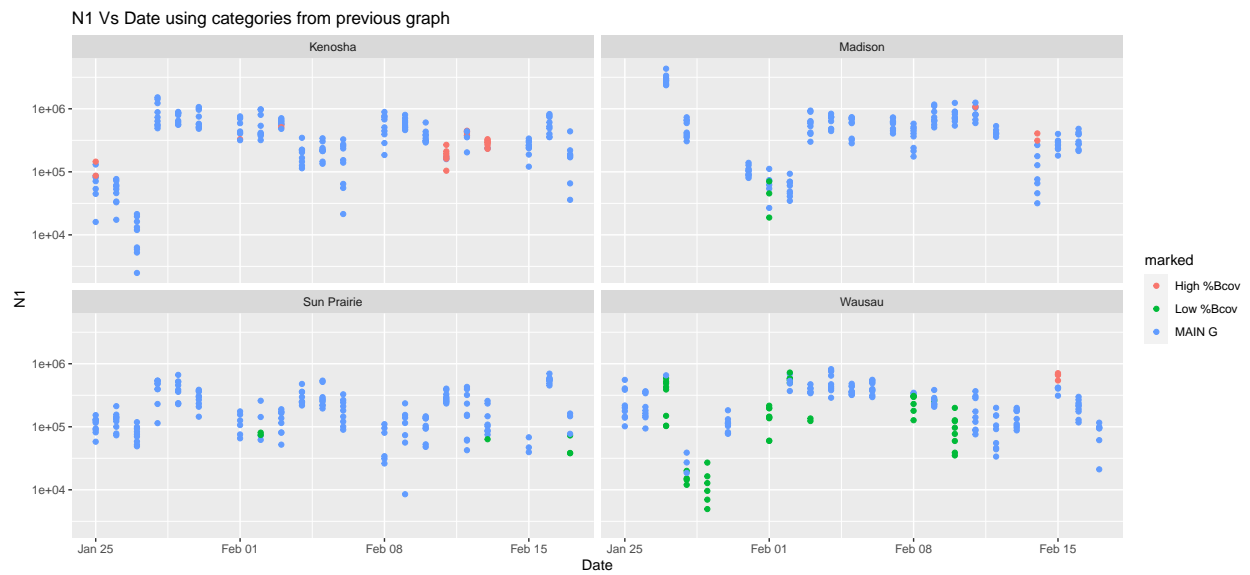

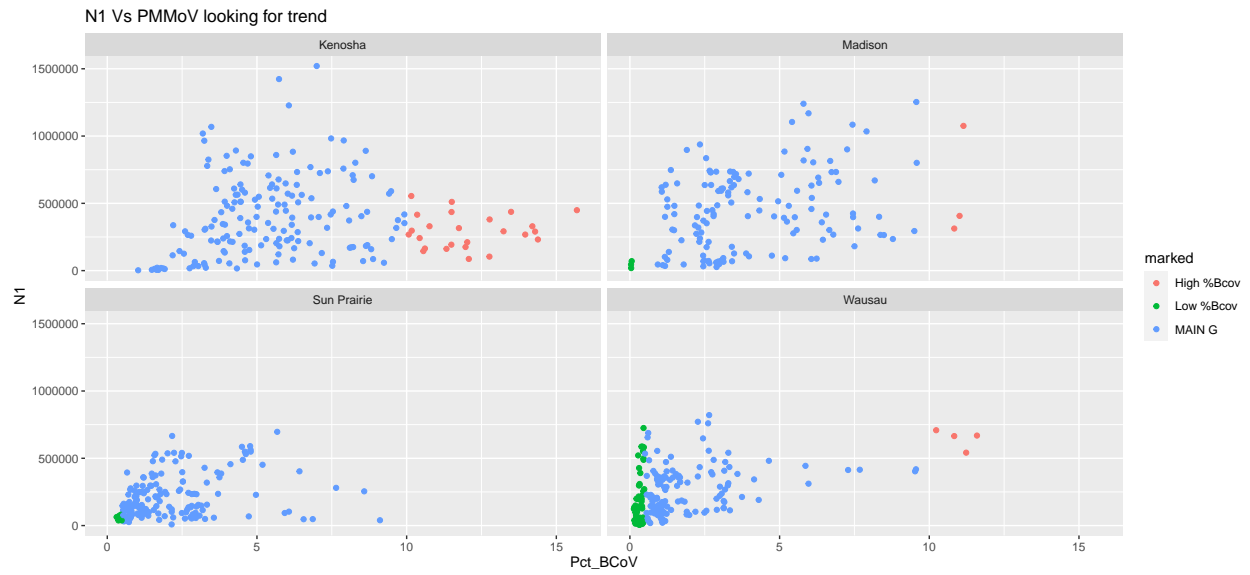

N1 Vs PMMoV looking for trend

N1 Vs Date using categories from previous graph
