

Population Data Vignette

Kyllan Wunder

!!! Wausau is n/a , inconsistant data!!! #Population data Population Data for Wisconsin's Wastewater treatment plants(WWTP). For cities with more than one WWTP (Madison and Milwaukee) the population is for the whole city.

First column is the WWTP site and the next is the population

	site	pop
1	Port Washington	12000
3	Racine	139000
4	Washburn	2200
5	Peshtigo	4000
6	South Milwaukee	21156
7	Grafton	11400

Sometimes we split sites by population size into 3 groups Small(below 10,000), Medium(between 10,000 and 100,000), and Large(Over 100,000)

	site	pop	popgroup
1	Port Washington	12000	Medium
3	Racine	139000	Large
4	Washburn	2200	Small
5	Peshtigo	4000	Small
6	South Milwaukee	21156	Medium
7	Grafton	11400	Medium

To combine cities that have multiple WWTP you can use code similar to this.

site	pop
MMSD-P7	380000
MMSD-P8	380000
MMSD-P11	380000
MMSD-P18	380000
Madison	380000
MMSD-P2	380000
